

Dear Parents,

We are excited to announce that Lake Zurich CUSD #95 will be hosting our third annual Science Fair and Extravaganza on Saturday, April 16, 2011 sponsored by the LZ 95 Educational Foundation.

The objective of this event is to excite our students about science. Participation is open to all K-8 students in Lake Zurich. This event will be both educational and FUN and we invite you to participate in this exciting learning opportunity.

The first step is to talk with your child about participating in the science fair. If you want additional information about the science fair please come to our Student/Parent Information night on Wednesday, February 2 in the Isaac Fox cafeteria from 7:00 to 8:00 pm. Please park in the back parking lot and enter through the rear cafeteria doors. Hope to see you there! If you are unable to attend this meeting you can register online at the following link:
