*Do you know
a great teacher?*

Nominations Sought for
"Teachers Make a Difference"
Award

District 95 high school students are invited to nominate a teacher for the 2007-08 school year "Teachers Make a Difference Award." Each year, three teachers are selected for the award from among the district's many outstanding professionals.

To nominate a teacher, write a one-page essay explaining the reasons the teacher is deserving of such an award. The district wants to recognize teachers who have gone far beyond what an individual normally would be expected to do in helping and motivating a student or groups of students.

Nominations should be sent to:

Jim Jennings, Director of Communications and Community Relations
400 S. Old Rand Road
Lake Zurich, IL 60047

Fax: (847) 438-6702

E-mail: nominations@lz95.org

Please mark "Teachers Make a Difference Award" on the envelope, if mailing your nomination.

Nominations must be received by Wednesday, April 9th.

Winners will be recognized Thursday, May 1, 2008, at the Annual Staff Recognition Program. Each winner will receive a golden apple and up to \$400 in expense reimbursement for professional development and classroom related activities. *You may be requested to read your nomination on camera for our audio/visual presentation of the awards.*
