

# Spanish Bridge Packet

The purpose of this packet is to help you retain the information that you have learned during the 7<sup>th</sup> Grade year of Spanish. With a minimal amount of effort, you can give yourself an advantage at the beginning of the 8<sup>th</sup> grade year. There will be a **brief** review at the beginning of the year, but the purpose is to review, not re-teach what was learned the year before. For this packet to be most beneficial, you should complete one activity per a day, Monday through Friday. Upon completion of the activity, your parent should initial the calendar to say that it was completed. Occasionally, you may get behind by a day or two, but it is not OK to complete a month's amount of work in one day. If you return your signed calendar AND completed worksheets on the first day of school, you will be eligible for **15 points of extra credit**. If you don't complete the entire packet, you may still turn in what you have completed for partial extra credit. You may email Mrs. Bautista for answers at anytime during the summer in order to check your work or to ask questions.

Enjoy your summer! ¡Habla Español!
