

Graphics- Chapter 10

10:1- Time of Turmoil

1. Who is Mitchell Palmer and what does he fear?
2. What is an alien?
3. Why were people concerned that they were losing their individual rights?
4. Who was a famous union leader for porters working in train sleeping cars?
5. How did Mr. Abbott contribute to the Great Migration?

The Great Migration

1. Where did most African Americans live prior to WWI?
2. What were the hopes of those joining the Great Migration?
3. How much did the population of Detroit grow by from 1910 to 1920?

10:2- Desire for Normalcy

1. Why did Mr. Daugherty nominate Harding for president?
2. Who were the candidates for president in the 1920 elections? One of those names should be familiar to you- which one and why?
3. Answer the two questions about the cartoon at the top of page 310.

10:3- A Booming Economy

1. What kept the economy booming in the mid-20's?
2. What consumer products were invented in the 1920's? Which one is surprising to you and why?
3. Why did the price of the Model T drop from just under \$800 in 1911 to \$300 in 1925? What would account for the steep drop from 1911 to 1915?

10:4- The Roaring Twenties

1. Why was Charles Lindbergh so famous in 1927?
2. Bessie Coleman was a hero for her pilot skills, but what else made her remarkable?
3. From the description of the women on the bottom of pages 318-9, what do you think the Harlem Renaissance was?
4. Look at the pie charts on page 320. Give four important facts about public schools in the 1920's.
